

**This years Barbour County Youth Hunt will be
February 21 Registration at 8:30 booths open
at 10:00am. Please share and we will see y'all
there!**

The Barbour County Youth Hunt has been around for more than 25 years. It is a fun day in the outdoors where kids have a chance to experience more in one day than most in a life. From 10am-2pm go from station to station shooting BB guns,s Sling Shots, archery, shoot shotguns, learn about Tree-stand safety, Turkey calling, land navigation, and survival skills. Then we will eat lunch. At 2pm they will choose from Squirrel Hunt, Quail hunt, .22 rifle competitions, or clay competition. Then we will eat more, give away prizes, announce competition winners. Wait for dark and then go on a coon hunt. The kids do not need to bring anything other than warm clothes. We will be eating hotdogs for lunch and dinner. I hope this helps and if I forgot anything please add. Thank you.
